VACCINATION CAMPAIGN 2023-24

IO SONO FRIULI VENEZIA GIULIA

VACCINATION IS EFFECTIVE AND SAFE TO PREVENT INFLUENZA, COVID-19

AND ANY RELATED COMPLICATIONS

The flu vaccine is free for children aged 6 months to 6 years, pregnant women, people over 60, or those who suffer from chronic diseases, as well as blood donors and essential service workers. Both the influenza and COVID-19 vaccines can be given at the same time in one vaccination session. For additional information, please visit the regional portal: www.regione.fvg.it
